Commonly referred to as *grand-fathered*, the nonconformity runs with the land and the use can continue and be sold. Such uses can also be expanded within the limits set in Article IX. Nonconforming lots, lots which do not meet the minimum size and dimension requirements, can also be used if they meet the setback, water supply and sewage disposal requirements in §911.
- ☛ If a project involves the creation of a new lot or lots, the change of lot lines, or the erection of one or more new principal nonresidential buildings, the **Subdivision and Land Development Ordinance** will also apply. This ordinance is separate from the Zoning Ordinance.
